

About Me

I am a passionate and creative graphic designer with a solid foundation in visual communication and design principles. I have hands-on experience using tools like Canva, which has enabled me to create engaging social media graphics, presentations, and marketing materials, showcasing my adaptability to various design needs. Additionally, I am actively gaining knowledge of Adobe Creative Suite to expand my skill set and enhance my design capabilities.

I thrive on transforming ideas into visually compelling designs and enjoy collaborating with others to bring concepts to life. Eager to learn and grow in a dynamic environment,

SYMBIOSIS INSTITUTE OF COMPUTER STUDIES AND RESEARCH (SICSR)

Bachelor of Computer Applications
(Ongoing)

Certifications

(2024)

INTRODUCTION TO FRONT-END DEVELOPMENT
Meta

In the Meta "Introduction to Front-End Development" course, I gained essential skills in HTML, CSS, and JavaScript. I learned how to create responsive, user-friendly web interfaces while emphasizing best coding practices and design principles. This foundational knowledge has prepared me to explore more advanced front-end development techniques.

FUNDAMENTALS OF UI/UX DESIGN
Microsoft

In the Microsoft "Fundamentals of UI/UX Design" course, I learned the core principles of user-centered design, including research methods, wireframing, and prototyping. The course emphasized the importance of usability and accessibility, teaching me how to create intuitive and visually appealing interfaces.
